13 **ORDER EXTENDING STAY OF  
14 PROCEEDINGS**

15 On January 6, 2023, the Court ordered a 30-day stay of proceedings to allow plaintiff Aimee  
16 Silver time to locate counsel through the Federal Pro Bono Project. The Project has informed the  
17 Court that counsel has not yet been located but that there is a likelihood counsel will be located if  
18 the stay is extended.

19 All proceedings are hereby **STAYED** for thirty days from the date of this order to allow  
20 more time to locate counsel. If an attorney is appointed for Ms. Silver, proceedings will be stayed  
21 for a further 30 days to allow the counsel time to become familiar with the case.

22 **IT IS SO ORDERED.**
